Corporate Director of Food & Beverage | Multi-Property P&L Ownership | Menu Engineering & Cost Control

31 Nathan Road, Singapore 248749 | biguet.chris@gmail.com | +65 8803 9678

SUMMARY

International hospitality leader with over ten years running food and beverage operations for multiple properties across six countries. Holds concurrent profit and loss responsibility for multiple properties at once, governing outlets through operating standards, cost control and menu analytics rather than daily presence. Works directly with ownership and executive teams, and completed an MBA at ESSEC Business School in France and Singapore.

CAREER HIGHLIGHTS & CORE COMPETENCIES

- **Project Planning & Execution:** Led a \$5M restaurant concept launch end to end, covering brand positioning, pricing and market entry. The outlet reached profitability in its first two months, and revenue grew 10% over the following six months through repricing and menu mix changes.
- **Program & Stakeholder Leadership:** Presented profit and loss strategy to C-level leaders across two properties and five outlets, delivering 5% cost savings. Reported directly to ownership at Trinity Investments and held the culinary chef as a direct report.
- **Operational Excellence & Governance:** Built operating standards, onboarding and performance metrics applied across two properties, with a system audit to check compliance. Uses Oracle Symphony and Power BI for menu engineering, standard recipe costing and sales mix analysis.
- **Team Leadership & Development:** Recruited and developed more than 50 staff through Restaurant and Bar Manager direct reports, building performance metrics and reaching 92% team engagement.
