SUMMARY

Operations leader with 10 years directing luxury and upscale hotel portfolios across the US, EMEA, and APAC markets, with hands-on pre-opening execution, brand standards governance, and multi-property financial performance ownership at Marriott International brands. Collaborated with Marriott North America HQ leadership and PE firm Trinity Hospitality Investments to execute a \$5M concept launch featuring a Celebrity Top Chef contestant., led cross-border turnaround deployments, and drove structured cost improvements at dual-property asset level under Dubai Holding ownership. Completing a Global MBA at ESSEC Business School Singapore, with graduate consulting engagements spanning Deloitte post-merger integration and a United Nations multi-year financial architecture project, providing direct exposure to corporate strategy frameworks at the executive level.

CORE COMPETENCIES & HIGHLIGHTS

- **Pre-Opening Project Execution:** Led \$5M end-to-end pre-opening deployment at JW Marriott Desert Ridge, delivering break-even in 3 months and 70% capacity stabilization in year one.
- **Brand Standards & Quality Governance:** Deployed LSOPs and Forbes 5-star service protocols across luxury brands in France, Belgium, and the UAE; enforced brand compliance during multi-site leadership transitions.
- **GOP & Operational Financial Performance:** Owned full P&L across 5 dual-property F&B outlets (AED ~5M), securing a 5% structural cost reduction and 20% YoY event revenue growth via targeted corporate acquisition.
- **Global Procurement & Vendor Management:** Negotiated B2B vendor contracts from \$2K to \$30K annually within global brand frameworks; directed FF&E, OS&E, and tech platform procurement timelines.
- **Cross-Functional Leadership:** Presented strategic multi-site financial reports to C-level and institutional private equity stakeholders; acted as principal commercial representative across owner and corporate interfaces.
